

Trinity Mustangs PAL 2009 Sponsorship Program

Our mission is to inspire youth, regardless of race, creed, color, religion, sex or financial status, to practice the ideals of sportsmanship and physical fitness through the game of football and cheerleading. Our league structure is based on and run by volunteers who strive to help bring our youth closer together through a common interest of the game of football and cheerleading. As such, the organization relies on the generosity of its community business sponsors, individual sponsors, and many fundraising efforts to provide proper equipment and uniforms for its youth and to meet its yearly operating obligations. Below you will find the many different levels of sponsorship available. We hope you will find one that fits with your business or individual situation.
